NEWSLETTER

WE HAVE RECENTLY COMPLETED THE ALTERATIONS AND UPGRADING OF VARIOUS PROPERTIES AT HOSPITALFIELD STEADING, ARBROATH. THE CLIENT WAS DELIGHTED WITH THE OUTCOME OF THE PROJECT AND WE HAVE RECENTLY BEGUN PHASE 2 OF THE WORKS, WITH THE POSSIBILITY OF PHASE 3 IN THE NEAR FUTURE.

KEEP UP THE GOOD WORK!!!

The recent occurrence at the Mini Market site in Carnoustie is certainly something that has never been encountered by ourselves in the past.

During the course of excavation works an object was unearthed which looked suspiciously like a bomb!!

The site was immediately closed and the bomb squad called in.

The outcome was however a false alarm and works were able to resume the following day.

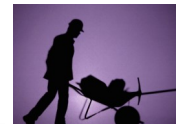

NEWLY AWARDED CONTRACTS

Over the last month or so the Company has been successful in winning several new contracts that have been tendered for.

The new contracts include external insulation to Seafeld View in Kirkcaldy, Alterations and refurbishment to St Andrews University Campus and an extension to 36 Morrison Croft at Bridge of Don.

Carnoustie Mini Rugby Club Sponsorship

Andrew Shepherd Construction provided sponsorship for Carnoustie Mini Rugby Club in season 2012-13. The financial support provided has allowed the club to invest in new strips for all ages groups from primary 1 to primary 7 (60 children in total). The investment in strips has attracted more players to the club and the financial support provided by Andrew Shepherd Construction has ensured that the club can concentrate on training and increasing the skill levels of the players which has resulted in significant success on the pitch with the P6 - P7's winning tournaments in Carnoustie, Strathmore, Dundee and Murrayfield and finishing runners up in tournaments at Lathallan and Blairgowrie. The P6 - P7's have beaten many private schools throughout the season which has been an amazing achievement!. We look forward to continuing our positive partnership with Andrew Shepherd Construction for many more seasons

Our newest member of staff is Mark McQuilton. Mark has joined the company as a Quantity Surveyor having spent many years in the industry since completing his degree at the University of Abertay.
